Deluxe New Generation ULAFTX Flat Top

SUPER LOCK. Screwless Exterior Aluminum system is unique to US Cargo. Lasts longer, looks much better, wont rust. The inter-locking aluminum panels are glued and mechanically fastened so that it doesn't show on the outside.

Six wide models and up have a double rear door standard. 5' wides come with single door due to size limitation. Ramp & locks optional. All doors have double automotive bulb seals - locks out dust, moisture, and road grime for superior protection.

All models have DryMax Engineered Flooring, standard. These high performance engineered floor panels resist moisture and chemicals - will not absorb moisture, swell, warp or delaminate. Stronger and stiffer than plywood.
