# PACX PATRIOT Round Top Car Hauler

*SUPER LOCK Screwless Exterior Aluminum system is unique to US Cargo. Lasts longer, looks much better, wont rust. The inter-locking aluminum panels are glued and mechanically fastened so that it doesn't show on the outside.*

*Our standard primer, paint and Z-Tec coating provides superior chassis protection for longer, trouble-free life.*

*4500 LB heavy duty rear ramp door with spring assist and and flap are standard along with beaver tail for easier on loading plus 4 x 5000 lb recessed D-Rings*

*New generation LED exterior and interior lights -standard Engineered for superior performance. LEDs are smaller in size but brighter and more energy efficient than traditional incandescent light bulbs and create very little heat.*

*All models have DryMax Engineered Flooring, standard. These high performance engineered floor panels resist moisture and chemicals -will not absorb moisture, swell, warp or delaminate. Stronger and stiffer than plywood.*
